The Bachelor of Science in Nursing (post-licensure curriculum) is designed for students who are registered nurses. A separate application to the School of Nursing is required (priority deadline is February 1). Students must complete all lower division requirements before beginning the upper level nursing courses.

BSN students are awarded a total of 33 experiential learning credits for NURS 398 and NURS 498. These credits are awarded at no cost to the student.

* Indicates a departmental requirement at ODU, not automatically satisfied by completion of articulation agreement. Must earn a grade of C or better at Community College.

All Nursing courses at ODU require a C or better grade.

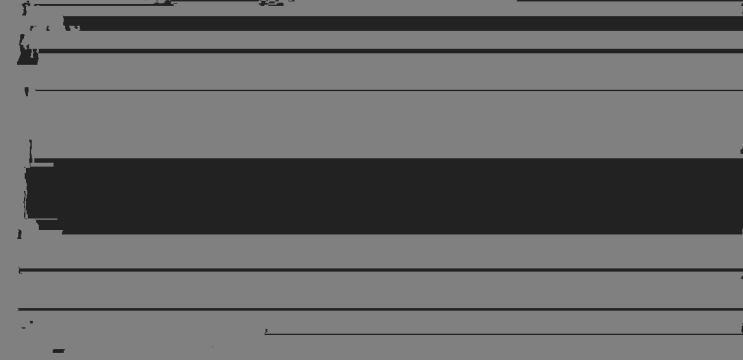

To participate in this articulation agreement please visit Old Dominion University's website to complete The Letter of Intent:
<http://www.odu.edu/transfer/vccs>

Completion of this articulation agreement alone does not guarantee admission to Old Dominion University. All students

Note: The lower division general education Language and Culture and Impact of Technology requirement will be satisfied by completion of all courses outlined in this program agreement. Oral Communication, Nature of Science, and Information Literacy and Research are met in the major.
