Dominican Republic

University of Santo Domingo, Santo Domingo, Dominican Republic

For weeks, warm air from the south has been circulating in the atmosphere of the Dominican Republic. The weather is perfect for a free spring break.

The Dominican Republic is a country with a rich cultural heritage and a beautiful landscape. It is a country that offers a unique experience for its visitors.

The Dominican Republic is a country with a rich cultural heritage and a beautiful landscape. It is a country that offers a unique experience for its visitors.

CONCLUSION

The Dominican Republic is a country with a rich cultural heritage and a beautiful landscape. It is a country that offers a unique experience for its visitors.

To gain a better understanding of the women's daily struggles and living conditions, the Dominican Republic Missionary Society (DRMS) has been working with clients in their local neighborhoods. Students also toured the maternal child health center in Santo Domingo.

"Access to health care is a significant problem for many women of the lower and socioeconomic classes in Santo Domingo," said Janice Hawkins, chief academic advisor for the ODU School of Nursing and Health Services. "Nurses and other health care workers are working to address these issues and provide the best possible care for their patients."

Retirement of Chair, Michele L. Darby and
Appointment of Acting Chair, Marge L. Green
Gene W. Hirschfeld School of Dental Hygiene
College of Health Sciences
Old Dominion University (ODU)

After more than 39 years at ODU and a total of 41 years in academia, Michele L. Darby, Eminent Scholar, University Professor and Chair of the Gene W. Hirschfeld School of Dental Hygiene has announced her retirement effective June 30, 2013. In addition to three major textbooks, Professor Darby has over 50 peer-reviewed publications and is a leader in higher education and dental hygiene. Professor Darby has lectured across North America, Europe, Asia and the Middle East receiving numerous honors and awards throughout her career including being a Fulbright Distinguished Scholar. She is a recipient of the Warner Lambert-ADHA Award for Excellence in Dental Hygiene, the Rufus Alan Tonelson Distinguished Faculty Award from the Old Dominion University Alumni Association in recognition of outstanding contributions to the intellectual development of the University, the Virginia State Council on Higher Education Faculty Award, Outstanding Achievement Award from the Friends of the Old Dominion University Library. In 2007-\$, Dental Hygiene Alumna 2011 Award from the School of Dental Medicine, University of Pittsburgh. In 2012 under her leadership, the Gene W. Hirschfeld School of Dental Hygiene was awarded the Health Heroes Award from for community engagement. Professor Darby is already missed as she is currently on leave of absence. The College of Health Sciences wishes Professor Darby continued success with her planned writing projects and also the chance to pursue new adventures with her family and friends.

Effective April 25, 2013, Marge L. Green has assumed the duties and responsibilities as Acting Chair of the Gene W. Hirschfeld School of Dental Hygiene. Professor Green is no stranger to ODU as an actively engaged adjunct faculty member who also had the role of tenured, Associate Professor/ Clinical Supervisor in the School from 1971-1976. Professor Green earned her Master of Science in Dental Hygiene Degree from Columbia University, School of Dental Medicine, her Bachelor of Science in Education Degree from California State University and Certificates in Dental Hygiene and Dental Assisting from the University of Pittsburgh, School of Dental Medicine.

Professor Green is a national leader in dental hygiene education and foundation fundraising
