C. DEFINITIONS

Certificate of Destruction - Also known as an RM-3, the document approving the destruction of records in accordance with Library of Virginia (LVA) Records Retention and Disposition Schedules. A completed RM-3 Form serves as evidence of proper disposal when records are subpoenaed as evidence, audited, or investigated.

Department Records Coordinators - Individuals who serve as liaisons between the University Records Manager and their respective departments.

Historical/Archival Records - Records that have long-term historical value as designated by the Library of Virginia, University Archivist and/or University Records Manager. Examples of historical records include but are not limited to Board of Visitors meeting minutes, President's correspondence, research final reports and accreditation records. These records cannot be placed in any repository other than the University Archives.

Records Custody Transfer (also known as an ODU RM-1 Form) - The document authorizing transfer of inactive records to an onsite ODU storage facility, a commercial records storage facility, or the University Archives.

Records Management Program - A planned, coordinated set of policies, procedures, and activities

The University requires that its records be maintained in a consistent and logical manner consistent with applicable law.

The University's Records Management Program is guided by a set of professional records management standards, best practices, and legal and regulatory requirements and complies with the Virginia Public Records Act.

Records created or received during the normal course of University business are the property of Old Dominion University and all employees are responsible for ensuring that records are managed in accordance with the University Record Management Program and in compliance with applicable Federal and State laws.

The Records Management Program is administered by the University Records Manager.t 8d2779-3 (fo)2.3
